	Products are made from local and imported ingredients.				
	This is a proudly Australian Owned and Operated Company.				
ID & Traceability	Use by Date (DD/MM/YY) located on the plastic bag.				
Barcode Outer	Product Code. 9348501000053				
Barcode Outer Barcode Inner	9348501000053				
2. Product Charact					
	Fresh ingredients are cooked and processed to the correct consistency. The mixture is moulded to resemble the original and recognizable food. The product is blast frozen to maintain a high quality. The product is packaged in a freezer safe container and vacuum sealed in a resealable bag.				
	The product is handmade, and weights may vary with each item. There are no nuts used in the processing of the product, however there may be cross contamination from other sources (may contain traces of nuts and other allergens). Random allergen risk testing is undertaken. The production kitchen is HACCP Certified.				
Appearance/Smell/	Brown-like colour, tastes like beef.				
Taste/Characteristics	IDDSI tested to comply with Pureed Level 4				
Serve & Product Code	Product Code Serves per package Packages per Carton				
	11005 5				
	11005C 5 10				
	1-2				
Net Weight	450g				
Product Shelf Life	12 months				
Method of Storage	Keep product frozen below -18°C at all times. Ensure Packaging is				
	sealed well to prevent freezer burn. Once thawed, use within 24 to 48				
	hours. Do not re-freeze once thawed.
